## FRENCH DOORS

The Woodgrain French Door collection includes an assortment of handcrafted doors available in a variety of wood species, styles and glass options to complement any décor. Woodgrain French Doors are all composed of true divided lite construction (TDL), which means that under each divide is an individual pane of glass separated by muntin bars.

**PROTECTIVE WRAP** Woodgrain provides a Protective Wrap on each of our true divide lite doors. Each pane of glass is covered with a removable protective film. Simply apply the finish of your choice, let it dry and remove the protective film.

**A WORD ON WOOD** Woodgrain offers the following species:

Ponderosa Pine Radiata Pine Knotty Pine Oak Primed Knotty Alder Poplar Fir

**DECORATIVE GLASS** Beautiful, yet simple geometric designs cast intricate patterns of light into any home's interior. These doors are available in clear, v-grooved glass.

### DECORATIVE GLASS
